Chrysanthemums

SADIE A. THOMAS

PASADENA

CALIF.

## Introduction

I have issued this little booklet for the benefit of customers, to give briefly and in a concise way the time of blooming, color and habit of the various varieties of Chrysanthemums.

We list the largest collection on the Pacific Coast. All plants are sand rooted cuttings. Our field will be open for public inspection October tenth.

## TERMS OF SALE

Shipments commence April fifteenth. All plants are from two inch pots, unless otherwise agreed.

Orders from unknown parties should be accompanied by cash or satisfactory reference.

All orders sent by express at purchasers expense.

Extra plants will be sent with order to offset this cost.

I give no warranty on the plants. If for any reason the plants are received in poor shape, please notify me at once, so the trouble can be located.

**ALL ORDERS WILL BE FILLED IN ROTATION**—Six of a kind at the dozen rate unless otherwise quoted.

Third Largest Collection in the United States.
